The Seattle Department of Parks and Recreation will not install bricks using "IN MEMORY OF". However, the use of "IN HONOR OF" or "IN TRIBUTE TO" is permitted. No double dates such as "1904 – 1983" are allowed. All text is subject to City approval.

A number of special symbols such as hearts and stars can be included at extra cost (\$10 for each use of a symbol). If used, these reduce the amount of space available for regular text. Please call Eilene at (206) 933-8352 for specific information. You can also download a PDF catalogue of these symbols at www.sealady.org. Adobe Reader software must be installed to access this file.

IMPORTANT – Print using all UPPERCASE letters (some lowercase allowed as in McCARTHY, VonRUDEN, etc.). Use **1 box** for each letter, space, or punctuation mark. All text will automatically be centered horizontally and vertically on the final brick. If you want names or dates to line up in a particular way, please include that information on this form.

Please do not install my brick in the middle landing of the stairs. I rely on a wheelchair or walker and would not be able to see and enjoy my brick.

The Alki Community Council currently does not have 501(c)(3) Internal Revenue Code status, so any donations made at this time are not tax deductible. Your donation will be included in a dedicated fund used for the future upkeep of the Statue and Plaza or for approved ACC sponsored events held to benefit the Plaza.

Bricks will be on sale until the available supply is sold. If you order a commemorative brick for your home or business, it will have the same text as your installed brick. All available standard bricks to be installed in the Plaza are 4"x 8"x 2".
